The Town Office has created this form to help people during the COVID-19 Emergency to process **Inland Fisheries & Wildlife Transactions**. **At this time, we are not able to process new/used dealer or private sale registrations.**

If you have multiple requests, please fill out a form for each transaction and mail to the Town Office at the address above.

Call the Town Office ahead of time for the amount of your transactions(s) so that you can provide a check or money order payable to the Town of Sidney (if you use a debit/credit card, there is a 2.5% portal fee added to the total of the transaction). We will process and mail your transactions in a timely manner.
