

# Sidney Recycling Changes

Due to the large increase in costs for the zero-sort recycling process,

The Town will be implementing a new recycling process.

If you visit the transfer station you will notice new bins appearing.

We will be separating out:

- NEWSPAPER/MAGAZINES
- # 2 only MILK and SOAP JUGS
- #5 PLASTICS
- CORRUGATED CARDBOARD only  
(must be *BROKEN DOWN*)
- CLEAR GLASS (with NO lids)
- TIN CANS, and
- OFFICE PAPER/JUNK MAIL

All other items will need to be thrown away as solid waste, with a sticker.

*Bins will be well labeled*

*To indicate where these items belong.*

This new process will take effect as of

October 1, 2018.

Any questions please contact the Town Office at 547-3159.

Thank you for your cooperation & patience!
